9/2/05	A04-08-012	California-American Water Company, for Authority pursuant to Public Utilities Code Section 454 to Restructure and Consolidate its Rates for its Monterey and Felton Districts.
--------	------------	--

Summary: On September 1, 2005, Mark Stone, Santa Cruz County Supervisor, met with Tim Sullivan, advisor to Cmmr. Kennedy, Rami Kahlon, advisor to Cmmr. Peevey, Belinda Gatti, advisor to Cmmr. Brown, and Nilgun Atamtruk, advisor to Cmmr. Grueneich, in four separate meetings in San Francisco. At the meeting with Rami Kahlon also present was Kevin Coughlan, Director of the Water Division. Jim Mueller, General Manager of San Lorenzo Valley Water District (SLVWD), Jim Mosher, Chair Felton Friends of Locally Owned Water (Felton FLOW) Legal Committee, and Edward O'Neill, counsel to Felton FLOW, attended the meetings. Written material (attached to the notice) was used during the meeting with Tim Sullivan. Stone provided a brief history of the local community's concerns regarding poor service, high rates and increasing rate hikes since American Water Works Company (AWW) acquired Citizens Utilities water utility districts, including the Felton District (District), and RWE Aktiengesellschaft shortly thereafter acquired AWW. Stone provided an update on the steps that have recently been taken by the local community, the County and SLVWD to implement a public acquisition of the District. Mosher stated that the public acquisition of the District has been driven by very wide-spread dissatisfaction with Cal-Am's poor service, high rates and alienation of local residents. Mueller explained that that it would be very easy for SLVWD to provide service in Felton. O'Neill stated that the Commission has the authority and the responsibility to consider how best to mitigate the current high rates and pending rate shock in Felton and that this could best be done in the context of A04-08-012.

9/2/05	A05-02-027	SBC Communications and AT&T Corp., for authorization to transfer control of AT&T Communications of California (U 5002-C), TCG Los Angeles, Inc. (U 5462-C), TCG San Diego (U 5389-C), and TCG San Francisco (U 5454-C) to SBC, which will occur indirectly as a result of the merger of AT&T with a wholly-Owned Subsidiary of SBC, Tau Merger Sub Corporation (Public Version).

Summary: LATE FILED. On August 16, 2005, Tony F. DiStefano, Chief Executive Officer of Arrival Communications, Inc. (Arrival), met with Lester Wong, advisor to Cmmr. Peevey, and Peter Hanson, advisor to Cmmr. Brown, in two separate meetings in San Francisco. Also present was Kelly Hymes, advisor to Cmmr. Grueneich. DiStefano observed that small business customers have fewer choices of

telecommunications service providers than do either large business or residential customers. DiStefano stated that there were essentially no wholesale service options open to Arrival in the areas it serves, other than the UNEs and services offered by SBC. As conditions to the Commission's approval of the SBC-AT&T merger, DiStefano advocated price caps for the remaining UNEs, and noted that TELRIC-based pricing is consistent with price caps. DiStefano also advocated price caps for elements that are not longer UNEs, but that SBC is obligated to continue to provide under its Section 271 obligations. Finally, DiStefano observed that the Commission would need to redouble its efforts to ensure that Interconnection Agreements are enforced.
